

ANNE-MARIE WHITTAKER

B.Sc., MLArch.

Senior Planner and Designer

604-228-1855 ext. 8 anne-marie@ecoplan.ca

Anne-Marie is an associate planner at EcoPlan. Her primary work has been focused on community and neighbourhood planning, facilitation and engagement. She has worked for a number of municipalities across BC, Alberta and the Yukon. Anne-Marie is a skilled facilitator and has worked with stakeholders at all levels. She regularly coordinates and delivers workshops, focus groups and design charrettes as part of her community planning work and for consultation programs only, some of which have included, North East False Creek Park Design Stakeholder and Public Engagement Session and the Vancouver Port Authority Land Use Planning Workshops for municipalities.
